Regards,
To whom it may concern
Present.

Receive, in advance, a cordial greeting on behalf of **Inversiones Logics Studio 828 C.A.**, who on this occasion would like to introduce ourselves to you so that you can learn about our portfolio of clients in which we have carried out successful projects, with a great sense of respect, sincerity and compliance. We are specialized in developing, maintaining and executing information technology consulting projects inside and outside our country.

We are a Venezuelan company with more than 10 years active in the market and proud to have implemented many high-value processes in different types of industries. We have had the privilege of working with companies in different sectors and economic activities, such as banking, insurance, telecommunications and pharmaceutical industries. Some of them are the following:

- Financiera Fama
- Banco Exterior, Banco Universal
- BNC, Banco Universal
- Banco Plaza, Banco Universal
- Banco Activo, Banco Universal
- Banco Sofitasa, Banco Universal
- Mibanco, Banco Microfinanciero

Also, we are pleased to present a set of services to which we are available to meet any need of the company we represent.
